

Check with your doctor before starting any training and/or conditioning program

General Information:

A. COST

The registration fee for the race is 30 dollars and includes a Bridge Run T-shirt.

For an additional fee of 10.00 you can have them mail your race packet. It is worth the ten bucks – you will avoid the craziness that is packet pick up at the EXPO.

B. REGISTRATION

On-Line (www.bridgerun.com) until Tuesday, March 31st, with packet pickup at the Expo

I have created a team this year: “KofC 9475 Charity In Motion”. When you register, be sure to become a member of the team.
